Cal Grant Reconciliation & the Audit Process		This webinar for college financial aid administrators provides information about the Cal Grant Reconciliation timeline and process. The reconciliation process is broken down into 4 easy steps, and attendees will be shown how to use Reconciliation reports to initially locate discrepancies in payment reporting type, as well as how to drill down to student-level detail to identify discrepancies with individual student records. Finally, participants will learn about the most common audit findings, and some best practices.	CSAC	9/2/20	2:30 PM	https://csac-ca.gov.zoom.us/j/911rHNTPCmqEqlMizStJqLvfQIOx
How American Plans & Pays for College		Every year, families sending a child to college set out to make decisions about how to pay for that education. Sallie Mae will share results from the 13th How America Pays for College – a national research study conducted in conjunction with Ipsos that shines a light on how families make these decisions and what sources of funds they use. In addition to how much families paid for academic year 2019-20, we will explore how family income and savings, financial aid and borrowed funds are used and what steps families take to make college more affordable. Uploading 2021-22 High School GPAs		This webinar for high school counselors and district staff reviews proper GPA calculations. Attendees will also learn how to submit Non-SSN GPAs both manually and via the batch upload process.	CSAC	9/10/20	2:00 PM	https://zoom.us/j/911rHNTPCmqEqlMizStJqLvfQIOx
Leveraging scholarships to reduce reliance on student loans		It's no secret that college is expensive, costs continue to increase and the amount of free financial aid remains static. Increasingly, students and families turn to student loans to pay for education beyond high school. In fact, Americans owe over \$1.5 trillion collectively in student loans - second only to mortgage loan debt. In this webinar, we will explore ways to maximize scholarship search efforts in order to reduce reliance on student loans.	ECMC	9/13/20	10:00 AM	https://www.ecmc.org/schools/training.html

Tackling Default Prevention One Month at a Time		Conducting a single default prevention activity may not produce significant results. However, if your time and resources are limited, planning on-going activities can be challenging. We have a solution! During this webinar, we'll share how to tackle default prevention with manageable and effective strategies for each month of the year. You will be able to kick off the fiscal year on October 1 with a calendar of monthly activities to improve repayment success and manage your rates.
