

FAFSA PRIORITY FILING DEADLINES

FOR THE 2013-14 FREE APPLICATION FOR FEDERAL STUDENT AID AT WA COLLEGES AND UNIVERSITIES

IMPORTANT TIPS TO REMEMBER:

- The free online FAFSA is available January 1, 2013 at www.fafsa.gov. (Note: **FAFSA.com is NOT the federal website and will charge you \$79!**)
- Most schools recommend completing the FAFSA as soon after January 1 as possible and NO LATER than a week before the earliest deadline date of the schools being considered.
- **Feb 1 is the priority deadline to be considered for the maximum College Bound Scholarship.**
- In order to be considered on time, some schools require you to have been admitted as well as having submitted all required application paperwork (like verification documents) by their deadline. Contact your school if you have any questions about their application process or their deadline.
- The deadline dates listed below indicate whether the FAFSA must be **received** by the school (indicated with "R"), **processed** by the federal processor (indicated with "P"), or **filed** by the student ("F"). A "?" indicates the school did not specify.
